6 | Loan Promissory Note and Agreement Signatures (Required)**Participant Authorization:**

I authorize IIS to issue a loan distribution and setup a loan in my account based upon the information provided above and deduct the loan establishment and maintenance fees described in section 2.

FOR THE VALUE RECEIVED, I hereby promise to pay the principal amount requested in section 2, plus interest at the Wall Street Journal Prime Rate plus 1% per annum on the day before the good order request is received by IIS. The unpaid principal balance is subject to the following conditions:

1. The principal and interest shall be paid in consecutive, equal installments of principal and interest on, or about, the twenty fifth (25th) day of each month beginning the month following the issuance of the loan distribution and continuing until paid in full.
2. I authorize IIS to initiate drafts via ACH from the bank account identified in section 4. I understand that all purchases of fund shares pursuant to these instructions are subject to the terms of the prospectus(es) of the applicable Funds. I agree that the rights of IIS with respect to each draft shall be the same as if it were drawn directly by the bank account owner, as applicable. I agree that, should any draft be dishonored, with or without cause, intentionally or inadvertently, IIS shall have no liability whatsoever with respect to any order for the purchase of Funds shares which were to have been settled via such draft. I further agree that IIS may delay the payment of redemption proceeds with respect to Fund shares purchased via such a draft for a period of up to ten (10) days in order to enable IIS to confirm that the draft has cleared. This authorization shall remain in full force and effect and IIS may continue to honor instructions to draft the referenced account until notification revoking this authority is provided. Notice should be provided to Invesco's Client Services at 800 959 4246 or in writing to: IIS, PO Box 219078, Kansas City, MO 64121.
3. All payments on this note shall be applied first to the payment of interest due and second to the unpaid principal amount.
4. This agreement is being made pursuant to and shall be governed by the terms of the Plan and the written Plan Loan Policy and Procedures accompanying this application.
5. The outstanding loan amount including any unpaid interest due on this loan may be prepaid in full or in part at any time without incurring a prepayment penalty or charge. Partial prepayments will be credited to principal and interest, and installments shall continue as scheduled. In the event of a partial prepayment, no reamortization of the loan will occur.
6. Notwithstanding any provision of this Agreement to the contrary, the unpaid balance of principal and interest of this Agreement shall become immediately due and payable by the term identified in section 2.
7. In order to secure the prompt repayment of this loan when it is due, either at its stated maturity date or by acceleration as a result of a default of the loan, the Participant hereby pledges and grants a security interest (collateral) in his or her account balance, plus all accruals and earnings. The Plan's security interest in the Participant's account balance shall at all times be equal to 100% of the unpaid principal balance of the loan plus accrued interest, but no more than 50% of the Participant's account balance. Upon repayment in full of the loan, the Plan's security interest shall terminate without necessity of further authorization, approval, confirmation or consent.
8. In the event the Participant does not make a loan repayment or pay off the loan by the maturity date, the Participant will have until the end of the calendar quarter following the calendar quarter that the loan repayment was due (the cure period) to make up the missed repayment(s). If the Participant fails to make up the missed repayment by the end of the cure period, the defaulted loan amount (outstanding principal plus interest) will be reported on IRS Form 1099-R as a deemed distribution for the tax year in which the cure period ends.
9. This Agreement shall be governed by, construed under, and enforced in accordance with the laws of the state of Texas to the extent not preempted by applicable federal law.
10. I assume responsibility for all tax consequences resulting from this transaction. IIS assumes no responsibility for tax consequences resulting from this transaction. I understand that if a loan when made satisfies the requirements of Section 72(p) of the Internal Revenue Code, but there is an expressed or tacit understanding that the loan will not be repaid or, for any reason, the transaction does not create a debtor-creditor relationship or is otherwise not a bona fide loan, then the loan is treated as an actual distribution from the outset.
11. The undersigned assigns to the Trustee/Custodian of the Plan, as collateral to secure the payment of principal and interest due under this Agreement his or her entire right, title and interest in and to such Plan not to exceed the security limitations. Furthermore, IIS will assist the Employer/Plan Administrator and Trustee/Custodian in seeing to the adequate securitization of a loan by maintaining in the Participant's account a balance that is equal to the remaining amount of the loan balance, until such time as the loan is paid or deemed a distribution, or if the Plan is terminated by the Employer/Plan Administrator.

Invesco Solo 401(k)[®] and 403(b)(7) Loan Policy and Procedures

Invesco Solo 401(k)[®] account owners are able to borrow from their Plan assets in accordance with the following Loan Policy and Procedures, provided that the Plan's Adoption Agreement allows participant loans.

Invesco 403(b)(7) account owners are able to borrow from their Plan assets in accordance with the following Loan Policy and Procedures, if allowed under the governing 403(b)(7) custodial account agreement and the Employer's 403(b) plan document. 403(b)(7) accounts held at Invesco prior to 2018 are not eligible for loans.

1 | Eligibility for Loans

Loans will be made to all eligible Participants and beneficiaries on a reasonably equivalent basis. Each person who is a party-in-interest with respect to the Plan and Trust as defined in §3(14) of ERISA is eligible to receive a loan if the employer's Plan permits loans and any of the following conditions are met:

- You are a former or active participant in the Plan.
- You are a beneficiary of a participant in the Plan.
- You have not met eligibility requirements to contribute to the Plan but have eligible transfer and/or rollover accounts.

Loans will be made without regard to race, color, religion, gender, age, or national origin.

Participants are permitted to have one general purpose loan and one mortgage loan for a primary residence at any given time.

If the Participant previously defaulted on a loan within this employer's Plan at Invesco, then they will be ineligible to take a new loan until the defaulted balance is paid.

2 | Loan Application Procedure

Any eligible Participant in the Plan, as outlined above, may apply for a loan by completing the Invesco Solo 401(k) and 403(b)(7) Loan Application and Agreement (Application). Prior to submitting the Application to Invesco Investment Services, Inc. (IIS), the Employer/Plan Administrator or 403(b)(7) third party administrator (TPA) must review the Application and determine whether the Participant satisfied the loan eligibility criteria.

If the Participant meets the criteria, the Employer/Plan Administrator or 403(b)(7) TPA will acknowledge approval of the loan by signing the Application and remitting it to IIS to request the loan distribution. If the criteria are not met, the loan will be denied and the Employer/Plan Administrator or 403(b)(7) TPA will notify the Participant in writing of the denial and the reasons for such denial. The Employer/Plan Administrator or 403(b)(7) TPA must keep copies of all documentation regarding the loan for their records.

Loan requests will be processed the same day a good order Application is received by IIS and the proceeds will be delivered as requested the following business day. A Participant must wait up to ten (10) days after purchases of any kind are made in the Invesco account before submitting an Application for a loan to ensure the funds have been collected.

3 | Loan Terms

Minimum Amount: The minimum amount for each loan is \$1,000.

Maximum Amount: A Participant may borrow the lesser of:

- \$50,000 reduced by the highest outstanding loan balance of all loans in the 12-month period ending the day before the loan is made.
- 50% of the current account balance.

IIS can only calculate a maximum loan amount using the account value for assets held at Invesco.

Maximum Term: Generally loans from this Plan must be paid within 5 years. However, a longer term is permitted if the loan is made to acquire the Participant's principal residence. In such a case the loan must be paid within 30 years.

Repayments: Loan repayments must be made in monthly level amortized payments, and must be drafted directly from the Participant's bank account via Automated Clearing House (ACH). Repayments will occur on or around the 25th day of each month.

The loan may be prepaid in full without penalty at any time. Partial prepayments are also acceptable. Partial prepayments will be credited to principal and interest, and installments shall continue as scheduled. In the event of a partial prepayment, no reamortization of the loan shall occur.

Security for Loan: As security for the payment of the loan note, the Participant grants the lesser of a 50% security interest in the Participant's account balance, or the loan outstanding principal balance(s), as collateral for the loan. The signed Application will serve as the promissory note, and is incorporated by reference into this Loan Policy and Procedures.

4 | Defaulting on Loans

If a Participant does not make a loan repayment or pay off the loan by the maturity date, the Participant will have until the end of the calendar quarter following the calendar quarter the loan repayment was due (the cure period) to make up the missed payment(s).

If the Participant fails to make up the missed repayment by the end of the cure period, the defaulted loan amount (outstanding principal plus interest) will be reported on IRS Form 1099-R as a deemed distribution for the tax year in which the cure period ends. The Participant may be subject to taxes and premature withdrawal penalties.

5 | Determining the Loan's Interest Rate

The interest rate to be paid by a Participant on a loan must be "reasonable" which is defined to be a rate commensurate with the interest rate charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate paid by the Participants on the loan is the prime interest rate published in the Wall Street Journal on the first business day of the month plus 1%. The interest rate will be compounded monthly.

The loan's interest rate will be fixed for the life of the loan. All interest paid is reinvested the Participant's Plan assets.

6 | Miscellaneous

Loan Expenses: A \$50 loan application fee will be deducted from the account at the time of the loan distribution, proportionately across the distributed funds. This fee cannot be paid any other way.

A \$25 administrative maintenance fee will be distributed from accounts with an outstanding loan each January, proportionately across all funds in the account. This fee cannot be paid any other way.

Death of Borrower: In the event the Participant dies, unless otherwise directed in writing by the Participant, the loan note shall be treated as an asset of the plan. A Beneficiary shall therefore be responsible for the remaining loan repayments, and shall be treated as the Participant under these same Loan Policy and Procedures. The Beneficiary may disclaim the portion of the assets attributable to the loan by providing a Qualified Disclaimer described in section 2518 of the Internal Revenue Code. In such case, the loan or any portion of the loan disclaimed will be treated as an asset of the participant's estate.

Divorce: In all situations involving divorce, the Participant is responsible for continuing loan repayments in accordance with the terms of the Loan Promissory Note and Agreement.

If Plan assets are to be divided pursuant to a properly executed Qualified Domestic Relations Order (QDRO), the Participant must clearly identify the amount the alternate payee is entitled to receive on the distribution form, including any outstanding loan amount to be transferred. Invesco will not accept or interpret a QDRO.

Refinancing of Loans: Loans from this Plan are not permitted to be refinanced.

Loan Transfers: IIS does not accept incoming transfers of loans held with another investment provider into the Invesco Solo 401(k) or 403(b)(7) Plan.

The Employer/Plan Administrator or 403(b) TPA may authorize the transfer of a loan to a new custodian if the loan is in good standing. The accepting custodian must acknowledge the acceptance of the loan obligation to IIS in writing. IIS will provide the accepting custodian with details of the loan upon request from the Employer/Plan Administrator or 403(b) TPA. After the loan is transferred, IIS will no longer provide record keeping services for the loan.

Plan Termination: Your loan must be paid in full or offset upon termination of your employer's Plan. If opting to offset your loan, the offset amount will be subject to mandatory 20% withholding.

Suspension of Loan Payments: During periods of military service or a participant's leave of absence, loan repayments will not be suspended under this plan.
