HOW TO ACCESS AR FROM HOME

1. Go to www.laurel.kyschools.us
2. At the top click on schools, elementary, then Keavy.
3. Over to left under quick links click on Library Media Center, and then on Renaissance Place.
4. Log on to AR with the user name and password you were given. Your teacher will have this information.

AR INFORMATION

We will continue AR as usual this year. Students participating in virtual learning and in person learning will be encouraged to meet the AR goals set by the classroom teacher. I will post point club participants for AR at the end of each 9 weeks. Rewards may look different this year due to Covid-19 but I will still be recognizing and rewarding students in various ways. Point clubs are 10 (for K and 1st grade only), 25, 50, 75, 100, and 150. For more detailed information on AR, how to check AR from home, virtual book fairs, or other library information please visit the Keavy Elementary Library web-page. AR stop dates and point club earners will also be posted on this site as they are determined. I will update this page frequently throughout the year so make sure to check it often.
